

Economic Development and Green Environment (EDGE) Pilot Program

As a Developer, are you interested in bringing new life to vacant industrial sites?

Do you want to be known as a “green” developer?

You should know about EDGE: an innovative redevelopment program designed to provide certainty to Wisconsin manufacturers, communities, and developers.

- To participate, build on a site in the Voluntary Party Liability Exemption program
- Your customers will receive:
 - Single point of contact with DNR
 - Recognition of their superior environmental performance
 - Flexible air registration permit
 - No additional air pollution controls for 10 years (unless federally required)
 - Environmental liability protections

Do you plan to attract manufacturers to your developments?

Do you want to promote industries that are committed to higher environmental performance?

Are you interested in redeveloping a Brownfield?

Contact DNR at DNREDGE@wi.gov for information on becoming a participant in the *EDGE Pilot*
